### **Discussion:**

1. Could you summarise the theme of this passage in one sentence?
2. How does the Greeks' concept of spirit – pneuma – that gave things life – differ from the Holy Spirit?
3. Does this shed light on the theme of this passage?

### **Activity:**

- The 5 points of Sunday's talk were the 5 things the Holy Spirit does. Can you come up with a corresponding activity that would embrace each aspect in your life?
  1. The Holy Spirit is the breath of God that brings life. (Ruach and pneuma)
  2. The Holy Spirit brings revelation.
  3. The Holy Spirit gives gifts.
  4. The Holy Spirit produces fruit in our lives and in our hearts.
  5. The Holy Spirit imparts power.

*Which area do you feel most lack?*

### **Ministry:**

Spend time receiving whatever it is you need from the Holy Spirit, focussing in on your area of lack discerned above.
